

2 BEDROOM

THE PREMIUM 2 Two Bedroom | Two and Half Bath | 1,277 Square Feet

All floor plans are representational. Units may vary slightly in square footage or other details.

Your two-bedroom apartment home features an open and spacious living room and dining room combination and a large kitchen with a family nook. The kitchen is fully equipped with all appliances and leads to a utility room with washer/dryer hookup and a patio. Upstairs you will enjoy your oversized master bedroom with dressing area and private full bath. Another full bath with shower/tub combination accompanies the second bedroom. Every apartment home comes with central heating, air conditioning, and window treatments.
